about route 40

It all began in our kitchen where we first poured **all natural soy candles** by hand. At first, we just wanted to give teams and organizations something easy and high-quality to sell for fundraising, but the response was overwhelming! We quickly outgrew the family kitchen and began manufacturing in a facility in our home town of Centerville, Indiana. We still hand-pour all of our candles today and are always developing new scents and products to bring the very best to your home. Enjoy!

supporting our community

We are strong believers in giving back to our local community and we appreciate your contributions, big or small. You can be certain that any heartfelt gesture made towards, "giving back" will help many members of the community achieve their goals.

\$15 CANDLES | \$15 3 PACK MELTS

CANDLES AND MELTS

Why Route 40 Soy Candle? * Burns clean, evenly, and with no soot * Burns 2-3 times longer than paraffin candles with no toxic by products and smoke * Made local, hand-poured, by artisan candle makers.

Delivery and Shipment Process

Depending on your order size and delivery location, you will either have a delivery from Sudz Fundraising or you may have a drop shipment from a LTL carrier. Your Customer Care Specialist will notify you in which method your order will be delivered.

Once we have processed the entire order, you will be emailed a final packing slip. Please use this packing slip the day of delivery to verify which items were delivered. If you should find any errors, please contact your Customer Care Specialist immediately so that we can correct the error.

Delivery from Sudz Fundraising

When your order is ready to be delivered by Sudz, we will call you the day before to confirm the time and location of delivery. On delivery day, we will call ahead 30 minutes before arrival. Any delivery to a residential location will be charged an additional \$25 fee.

Drop Shipment from a LTL Carrier

When your order is complete and packed, we will notify the LTL Carrier that will make the drop shipment to you. When the LTL Carrier is ready to schedule your delivery, they will contact you directly. If you have any questions or concerns, please call your Customer Care Specialist. Any delivery to a residential location will be charged an additional \$25 fee. All LTL Carrier shipment orders are palletized. Please consider having a forklift available to help you unload your order. The LTL Carrier drivers will not help unload your order. You will need to have your own equipment or persons to help you unload.

Organize the Pick-up

It's time to rally the troops! To ensure a hassle free delivery day, consider these helpful tips in organizing a pick-up process.

- Share the final results! After all the hard work that went into raising funds, it's time to share how successful it was. Have a delivery day party to remind everyone what the fundraising goal was, how the team did and who were your top producers. End your fundraiser on a high note by thanking all your participants and offer a small treat in celebration.
- Prepare for the load! We recommend having a pallet jack or forklift available to help unload pallets from the delivery truck. If this is not possible, then it is highly recommended that you task the team or large group of volunteers to help unload product. The larger the group of volunteers, the faster the unloading process will be.
- Ask for help! We recommend having as many volunteers as possible. Consider having a minimum of 3 adult volunteers to help direct the unloading and pick-up process. Each person should own a role and have a copy of the final packing slip.
 1. Team Coordinator will work with the delivery driver to confirm all items have been delivered using the warehouse packing slip check list.
 2. Volunteer #2 will need to direct how the product is unloaded from the truck and how it will be staged for quick and easy pick-up lines.
 3. Volunteer #3 will coordinate crowd control, they will help participants and their customers confirm their order and direct them to their pick-up lines.
- Give us a call! If you should have any errors in your order, please call your Customer Care Specialist within 48 hours. We will do our very best to correct the situation.
